Kamis Nursery Company

- Product Info -

We've been growing quality baskets and planters for over 25 years. All of our items consist of only premium plants. We take pride in our ongoing quality and service you can rely on.

This year we are excited to introduce new containers that are sure to be appealing to consumers. Along with that, we are also adding new additions to our shade line.

Each year we strive to improve our container designs and planter combinations. Custom labels for all of our items are available to meet your needs.

Enclosed please find our pictures for this year's items...
